REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art fails to teach or suggest the claimed invention as a whole including a one-piece piston-diaphragm member, the member including a connecting rod terminating at a piston head, the piston head defining oppositely disposed first and second pressure-receiving surfaces constructed and arranged to respond to pressure, the piston head further defining a relief aperture arrangement extending between the oppositely disposed first and second pressure-receiving surfaces, the one-piece piston-diaphragm member including an adapter with a diaphragm molded over the adapter, a diaphragm oriented to form a seal with a housing, a plate in movable covering relation to the relief aperture arrangement in the piston head, the plate forming a releasable seal arrangement with the relief aperture arrangement, and a first biasing arrangement applying force against the plate to hold the plate in movable covering relation to the relief aperture arrangement, in the context of a valve arrangement which is operably installed in a housing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marguerite J. McMahon whose telephone number is 703-308-1956. The examiner can normally be reached on flex.
